

ECO-ADVENTURE PRE-CAMP INFORMATION

GET READY FOR YOUR ECO-ADVENTURE CAMP

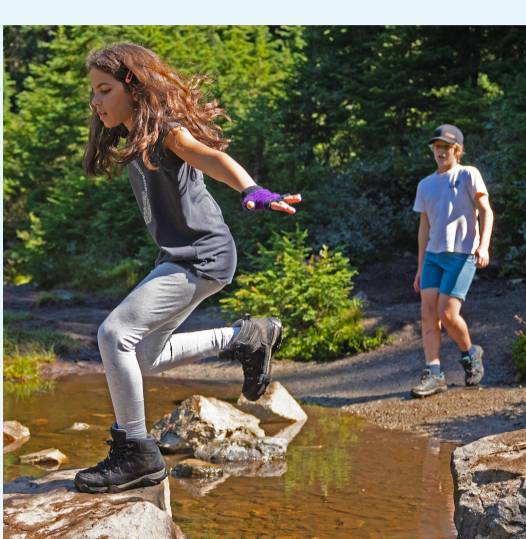

Camp Participant: %%First Name%% %%Last Name%%

Camp Age Group: %%Camp Type%%

Camp Dates: %%Camp Dates%%

Hello campers,

Below is all you need to know to get your young one(s) to camp, ready to have a great week! Please take the time to read all of the information.

IMPORTANT NOTES

- Your children must have appropriate footwear for mountain trails, such as hiking boots or shoes with good grip. Sandals, flip-flops, and canvas shoes such as Vans are not suitable.
- Pack warm layers and be prepared for both rain and shine by sending them with sunscreen, a hat, extra warm clothing, a complete change of clothes, and a raincoat or poncho. Weather in the mountains can differ from the city, so it's good to be ready for any conditions.

FOOD

We do not supply food. Please pack plenty of nutritious food for your child! It's a high-energy day, and they will need more fuel than a regular school day.

We are a Nut-Safe / Nut-Aware program. Due to the number of children with nut allergies, please do not pack any nuts or nut products. We will be checking snacks and lunches to ensure everyone's safety.

SHUTTLE BUS

If you have purchased the shuttle bus add-on you will be receiving a separate email with more detailed information by the end of today, so please do look out for that.

If you do not receive a specific shuttle bus email it may be that you have not purchased the shuttle bus option. We offer a convenient shuttle pick-up from Burnaby (Jubilee Ave, near Metrotown & Gilmore Ave), East Vancouver (Grandview Superstore) and North Vancouver (Superstore & Parkgate Community Centre).

For more information visit our website [HERE](#). To purchase the shuttle bus, please reach out to our team at 604.986.2261 option 3 by the end of the day Wednesday, prior to the camp start date.

SIGN IN / OUT PROCEDURE

All children will be checked in upon arrival at the bus stop or at Mt Seymour.

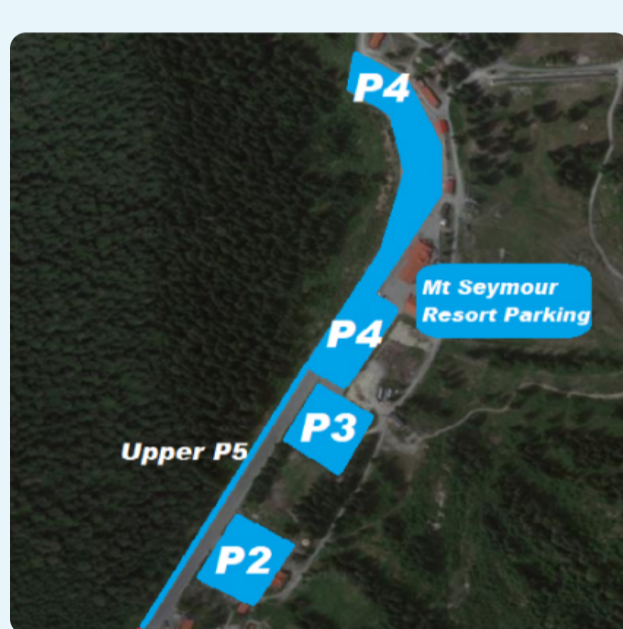

To ensure the safety of all children in our care, the adult assigned to pick up a child must confirm a **security code** before the child can be released. This security code is the **last 4 digits of the phone number of the primary parent/guardian** listed on the child's Mt Seymour account.

If you are not the primary parent/guardian collecting the child, please come prepared to provide the last 4 digits of the parent/guardian phone number of the child. Our bus supervisors will be able to prompt you with the name of the primary parent/guardian listed if required.

For guests driving up the mountain, the same procedure applies at pick-up.

Please also note that a **\$25 late fee** may be applied for any **significant late pick-ups**.

Thank you for your cooperation in helping us keep our programs safe and secure.

PARENT DRIVERS

Please remember the drive up the mountain is 12.5km and takes 15-20 minutes. Please drop off your campers at 9:00am and pick them up at 4:00pm. A \$25 fee may apply for any significant late pick-ups.

Morning camp drop off: 9:00am

Drop off locations:
Forest Guardians (Ages 7-9) - Parking Lot P2, at the white tent (Enquist Lodge)

Trailblazers (Ages 5-6) and Mountain Rangers (Ages 10-12) - Parking Lot P4, at the white tent (Alpine Activity Centre)

DIRECTIONS TO CAMP

If using a GPS or Google Maps on your Phone, you must search "Mt Seymour Resort" as your destination.

A "Mount Seymour" google search will take you north on Lillooet Rd — this is the wrong way!!!

DIRECTIONS

WHAT TO BRING

THE PARENT'S GUIDE TO PACKING A CAMPER'S BAG

COMFORTABLE BACKPACK

WHISTLE

Based on Adventure Smart's Hug a Tree Principles

RAIN GEAR & WARM LAYERS

Very Important. Waterproof jacket or poncho is a must, and pants. We head outside rain or shine, and some days are not the warmest in the morning!

CAP OR BRIMMED HAT

STURDY CLOSE-TOED SHOES

'Broken-in' hiking shoes, hiking boots or running shoes are best. Please **no** sandals or rubber boots (unless it's very rainy or as backup footwear).

BUG NET AND BUG SPRAY

COMPLETE SET OF EXTRA CLOTHES INCLUDING SHOES

Please pack these in a separate bag to leave at camp throughout the week.

FULL SUN PROTECTION

Sunscreen, sunglasses, and a shirt that covers the shoulders is best.

REUSABLE WATER BOTTLE

Must pack a 32 ounce refillable water bottle.

NUT-FREE SNACKS AND A HEALTHY LUNCH

We are a nut-safe/nut-aware program, so please participate in our efforts to keep everyone as safe as possible. **Pack lots of snacks.** It's an active camp, so more fuel is needed than for a regular school day.

MEDICATION

Should they be required. Please ensure medication is labeled (including instructions of use).

HAND SANITIZER

Campers will have a cubby to store items for the duration of camp.

Please no electronic devices or external distractions such as iPod's, portable games, trading cards, toys etc. We are encouraging technology free nature immersion (like when we were kids!). Cell phones will stay at home base in the cubby.

LOST & FOUND

We'll hold all lost & found items until the end of the summer. Items can either be collected from the top of the mountain, or we can put them on one of the Shuttles for pick-up at a stop location. If you believe your camper left something behind, please submit the lost & found form below.

LOST & FOUND FORM

DISCOUNTED SEASON PASS OFFER

All 2026 Summer Camp participants can purchase a 2026/27 Full Season Pass for skiing & snowboarding for \$49. This offer is emailed to participants after their camp is completed.
