#### SIGN IN / OUT PROCEDURE

All children will be checked in upon arrival at the bus stop or at Mt Seymour.

To ensure the safety of all children in our care, the adult assigned to pick up a child must confirm a security code before the child can be released. This security code is the last 4 digits of the phone number of the primary parent/guardian listed on the child's Mt Seymour account.

If you are not the primary parent/guardian collecting the child, please come prepared to provide the last 4 digits of the parent/guardian phone number of the child. Our bus supervisors will be able to prompt you with the name of the primary parent/guardian listed if required.

For guests driving up the mountain, the same procedure applies at pick-up.

Please also note that a \$25 late fee may be applied for any significant late pick-ups.

Thank you for your cooperation in helping us keep our programs safe and secure.
