

SEYMOUR SCHOLARSHIPS

Mt Seymour would like every child and young person in the Lower Mainland to have the opportunity to experience skiing or snowboarding. To make this vision a reality we are offering scholarships to low income elementary school classes, who would otherwise be unable to visit us. Classes can be nominated for a free day of skiing or snowboarding at Mt Seymour including transportation, full-day lessons & lunch.

To learn more about this program, eligibility criteria, and to nominate a deserving class please contact us at schools@mtseymour.ca.

Deadline for applications is December 21, 2018

MT SEYMOUR TEACHER DAYS

Spend your professional development day in February learning about our school programs and enjoying time outdoors. Let us take you on a morning guided snowshoe or ski, then spend time on your own or with a colleague in the afternoon. Lift, trail ticket and rental equipment are free of charge.

Space is limited. Check our website for 2019 dates. To register contact schools@mtseymour.ca.

HOW DO I BOOK A PROGRAM?

At Mt Seymour we know the challenges and energy it takes to organize a group of students. Our team is ready to assist you with every step of the booking process. We will send you all the information needed to organize your class, excite your students, assure their parents and deliver a great program.

- Our friendly staff will be available to assist you by phone or email
- Our package includes an organizational check-list, information to send to parents and FAQ's
- Contact us to find out how we can create a unique experience for your class by calling 604.986.2261 x214/215 or emailing schools@mtseymour.ca
- Bookings require at least 7 days notice and a \$150 non-refundable deposit

SNOWSHOE

Named the #1 Resort for Snowshoeing in North America by Snowshoe Magazine in 2012 our snowy classroom is a unique and engaging environment. Snowshoeing is fun, accessible, and the perfect experiential element for your lessons in the sciences, social studies and physical education.

BOOK YOUR CLASS FOR A DAY OF ACTIVITIES AND RECEIVE FREE SEASON PASSES

For over 40 years, Mt Seymour has guided students to success in a positive, encouraging and safe environment created by our certified instructors and experienced guides. We are dedicated to building a culture of outdoor recreation by engaging children with their natural environment.

SKI & SNOWBOARD SCHOOL

LESSONS: Whether you choose our full-day or two hour option, your students will learn the skills to enjoy skiing or snowboarding for the rest of their lives. We encourage students to challenge themselves, leading to social and emotional learning.

RENTALS: Our safe and modern equipment and efficient rental system means students will be geared up and on the slopes in no time. Rentals and lift passes are valid all-day.

HELMETS: Free helmet rentals for any students who do not own one.

TUBING & TOBOGGANING

Snow tubing and tobogganing are fun, safe and thrilling for all ages. We provide durable nylon-covered tubes as well as a handle tow to take you and your tube back up the hill. Tobogganers are encouraged to bring their own toboggan or rent one for \$1.

SNOWPLAY AREA | GRADE K-3

Build a fort, make a snowman or play in the snow. Dependent on weather and snow conditions.
